US 41 Project lane closures for August 26 – August 30

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for August 26 – August 30 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers can expect lane restrictions on US 41 near the County G overpass construction.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or unusual incidents (such as weather).

Drivers can anticipate a 36-hour full closure of the northbound US 41 off-ramp to Velp Avenue starting at 6 p.m., Monday, August 26 through 6 a.m., Wednesday, August 28. The closure is needed to construct a temporary exit ramp for construction of the Beaver Dam box culvert. The following detour is in place:

- **Northbound US 41** traffic wanting to exit at Velp Avenue will take the off-ramp to Mason Street or Shawano Avenue, travel east to Military Avenue, take Military Avenue north to Velp Avenue

In addition, the southbound US 41 on-ramp from Velp Avenue will be closed on Thursday, August 29 from 8 p.m. to 5 a.m.

WIS 29/US 41 Interchange

Drivers can expect various overnight single lane closures on eastbound and westbound WIS 29 from Packerland Drive to Taylor Street throughout the week.

On Monday, August 26, southbound US 41 will be closed at WIS 29 from 10 p.m. to 5 a.m. for bridge work. The following detour will be in place:

- **Southbound US 41 traffic** will take the off-ramp to WIS 29, cross WIS 29 and re-enter southbound US 41 using the entrance ramp from WIS 29

Northbound US 41 will be closed on Thursday, August 29 at WIS 29 from 10 p.m. to 5 a.m. for bridge work. The following detour will be in place:

- **Northbound US 41 traffic** will take the off-ramp to WIS 29, cross WIS 29 and re-enter northbound US 41 using the entrance ramp from WIS 29

Drivers can also anticipate the following ramp closures on Wednesday, August 28:

- Southbound US 41 off-ramp to WIS 29 will be closed from 9 p.m. to 6 a.m.
- Northbound US 41 on-ramp from WIS 29 will be closed from 9 p.m. to 6 a.m.

WIS 172

Throughout the week, westbound WIS 172 between Ashland Avenue and Babcock Road will have single lane closures from 6 p.m. to 6 a.m. for grading operations.

All lane restrictions and work operations are weather dependent and subject to change.
